

OXFORD PHYSICAL THERAPY

Sports Intervention Program

Who can benefit?

- Coaches and athletes looking to lower their risk of injury and optimize their performance.
- Anyone with pain that is preventing them from achieving their peak performance!

What can you expect?

- Skilled, thorough, evaluation by a Physical Therapist to determine what is wrong and what needs to be done.
- Unique, comprehensive treatment program to meet your goals.
- Focused strengthening of the affected musculature to improve performance and decrease risk of injuries.

How Do You Get Started?

- You can get started right away - Just call us to set up an appointment!
- In the state of Ohio, you can see a physical therapist **without a prescription** from your doctor, and we can bill through your insurance.
- **FREE INJURY SCREENINGS** are offered for a quick, easy way to assess the severity of your injury.

Don't let that annoying pain become something more....
